Gender: Male, **DOB:** 11 Nov, 1998

CAREER OBJECTIVE

I have a strong desire for social services and want to spend major part of my life in serving mankind. This is a great task, but my commitment and dedication to my ambitions makes me the most suitable person for the effort task. My prime obsession is to work in a place that offers a creative, dynamic and professional environment where I can fully utilize my education, training, professional skills, experience and proven abilities and which also offers learning opportunities for further academic qualification enhancement.
